Cottage's address:

Länsimetsäntie 1, 64700 TEUVA

Note! When arriving from the direction of Kauhajoki and using a navigator, we recommend that you drive first to the downtown area of Teuva and from there reset your navigator with the address of the cottage. Without this precaution your navigator is likely to take you from the village of Äystö directly to Parra – that route is a gravel road and parts of it may be in poor condition.
